If you want to help for a day, give them rice;
If you want to help for a while, give them a tree;
If you want to help for an eternity, give them an education.

JARDIN DE NIÑOS DAVID LYNCH

Good friends are like the stars. You don't always see them but you know they are there forever

"We all need happy memories to know who we are." Thank you for these memories of summer camp.

One of the luckiest things that can happen to you in life is to have a happy childhood

Spending the day at the park

Starting a new day and new experiences with old and new friends. .

Creating art.

Visiting Morelos Park. For most of us our families can't afford to take us to museums, city pools, and parks because we cannot afford the fees.

Visiting the museum and knowing our culture is very important when you are a child. The experience increases social and cultural development.

Enjoying the day at the pool.
