If you want to help for a day, give them rice;
If you want to help for a while, give them a tree;
If you want to help for an eternity, give them an education.

Playtime is the best time to socialize and make good friends.

Assembling puzzles is not only fun, it also offers a series of benefits for the development of children.

JARDIN DE NIÑOS
DAVID LYNCH

Origami can be a creative and fun activity for children. Here are preschoolers learning origami making planes, helicopters and frogs.

Being an astronaut is the dream of many children such as Cesar.

Students eating pizza on Children's Day.

Two kindergartners creating a paper marine reef.

Christmas is a celebration that generates beautiful lifetime memories of kindergarten.

Painting and doing crafts develops the artistic process in children. As well as fostering creativity, it develops sensitivity.

The wonderful thing about children learning something is that afterwards no one can take it from them.

This is Professor Lili's kindergartners who will be graduating this month.

These students with their teacher Laura Cruz are preparing for the graduation festival.
