ALEXANDER Y LUZ MARIA

Alexander and Luz Maria, our kindergarten students, are cousins who live together with their mothers and grandparents. They, along with three neighbors, just lost their homes to a fire. Nothing was salvaged. Fortunately, everyone escaped without injury. We would like to help these families rebuild their homes. If you plan to donate at this time and would like your donation to go to the victims of the fire, please indicate that information. <https://responsibilityonline.org/donate-one-time/>. Thank you.
